Admiral Elmo R. Zumwalt, USN (Ret.)
1500 Wilson Boulevard
Arlington, Virginia 22209

Dear Admiral Zumwalt:

In recognition of your experience and expertise in the disarmament arena we invite you to address the Advanced Intelligence Seminar on "Arms Control Issues and Their Implications for Intelligence" on November 20, 1985 from 8:30 to 11:00 a.m. Specifically we would like you to focus on some alternatives to the present path of U.S. policy toward arms control negotiations particularly in view of ever more sophisticated offensive/defensive systems.

The Seminar is designed for senior intelligence officers (grade GS-14 - GS-15) who will be in positions to influence Agency response to domestic and foreign trends over the next five years. The course goal is to expose these officers to alternative viewpoints and perspectives on intelligence and its role in a democratic society. We ask our speakers to prepare no more than 50 minutes of remarks in order to allow for an extended discussion and question and answer session.

We look forward to your reply and to the opportunity to hear your views on the important issue of arms control. To confirm this invitation, please contact
